CREATORS

Quinn Arguello — Tak (she/her) If I was stuck in a time loop, at least I get to spend eternity with my cats.

Cosima Asplund — Tik (she/her) In every timeline I manage to delude myself into thinking I control time, try to fight my younger self, and ultimately turn all my loved ones to dust.

Evan Bonds — Herlock Sholmes (he/him) If I'm stuck in a time loop, at least I get to stay with my friends for eternity.

Quinn Carter — Barkeep (he/him) If I'm stuck in a time loop, at least I get to hang out with my best friends more!

Ally Cook — Wet Willy (they/them) If I was stuck in a time loop at least I get to spend every day with the people I love. Oh... and have unlimited Dr. Pepper of course!

Radiance Crowder — Morgan Redd (they/them) In every timeline, I still get to wonderhoy!

Olive Gallner — Grandpa (they/them) In every timeline, I could be Grandpa!

Scarlett Gibson — Tok (she/her) If I had one extra hour in a day, I would use it to watch Sam and Colby! <3 (Spoony), and bigback alllllll of that time.

Alan Castellanos Lopez — Scott (he/him) In every timeline, I still get to relive everything that happens to me, both comedy and tragedy.

Jess McGinnis — Billy (she/her) - If I was stuck in a time loop, at least I'd be with my friends.

Moxie McGinnis — Juno (they/them) If I were stuck in a time loop at least I'd get to have more time to work on cosplays.

Belle Schrup — Matthew Friday (she/they) - In every timeline I still manage to find myself.

Neptune Stith — Mysterious Narrator (he/him) - If I got an extra hour I'd finish all my homework.
